Seen your eyes
heard your lies
Now it's over say
Bye Bye
Made me cry
can't describe my pain

You came into my life
like something straight out of the sky
You gave me what I thought was love
But I ended up in disguise

Those words you told me
they made me open up my heart
But now I'm torn all apart

Chorus

Seen your eyes
heard your lies
Now it's over say
Bye Bye
Made me cry
can't describe my pain
that's why I'm saying
Goodbye

Sometimes I still see your lips
Telling me you're sweet like me
But then you turn right around
and tell someone else sweet sayings

Those words you told me
they made me open up my heart
But now I'm torn all apart

Chorus 2x

Seen your eyes
heard your lies
Now it's over say
Bye Bye
Made me cry

can't describe my pain
that's why I'm saying
Goodbye

Na na na na na na (now it's over say bye bye)
Na na na na na na na na na na
Na na na na na na
say bye bye

Those words you told me
they made me open up my heart
But now I'm torn all apart

Chorus 2x
Seen your eyes
heard your lies
Now it's over say
Bye Bye
Made me cry
can't describe my pain
that's why I'm saying
Goodbye

say bye bye say bye bye
(repeat til fade)
