Says:

Can we turn these lights down, again?

Sorry about that, but...

Thank you so much

Sings:

So many times, i've been alone

I didn't know what to do

I don't know where i'd be if I didn't have,

I didn't have you yeah

You comfort me, make me believe, give me the
strength I need

Since you came into my life it's been so heavenly

Me and my piano

It's all I... me and my piano

So many things i wanna say to you

I give my all to you just because

You came around and gave me, all your, all your love

And I would sacrifice my very life

All you have to do is say the word

Cause there would never be no other

No other yeah

Me and my piano

It's all i wanna do, I wanna play . . .
