You say that you love him
You belong to him heart and soul
Then why is he so lonely
Tell me he's had it with it all

Too much for him to handle
Yelling and Fighting
Over just a little thing
I know it's not your fault
But you better sacrifice
Before I get too close

Chorus
Or Someone else will love him
Like you don't
She'll do what you could
never bring yourself to do
So i'm telling you
to sacrifice
or someone else will (2x)

He told me
That you were the first one
to take him to church
You helped turn him around
But that just ain't good enough
If you're the one he truly loves

Sometimes I find myself
Thinking you're not good enough
You better get it right
And forget your selfish ways
or someone else will
Chorus (2x)

Sometimes I find myself
Thinking you're not good enough
You better get it right
And forget your selfish ways

I think you're not good enough

Chorus (2x)
