You're the reason why I found my way
And you're the reason why I feel this way (you're the reason)
and you're the reason why I have to say
I had to let you know
you're my everything

So many times I've been alone,
I didn't know what to do,
I don't know where I'd be if I didn't have, I didn't have you
You comfort me, make me believe, gimme the strength I need
Since you came into my life it's been so heavenly,
heavenly

You're the reason why I found my way
And you're the reason why I feel this way (you're the reason)
and you're the reason why I have to say
I had to let you know
You're my everything

So many things I wanna say to you
I'd give my all to you just because
You came around and gave me all your
All your love
And i would sacrifice my very life
All you have to do is say the word
And there would never be no other
No other

You're the reason why I found my way
And you're the reason why I feel this way (oh don't you know)
and you're the reason why I have to say
I had to let you know
you're my everything

Hmm mmm...
You're the reason
And you're the reason why I have to say

Oooh ooo.. youÂ're my everything
