It's all around  
Pressure from my so-called friends  
It's all around  
I'm measured by some stupid trend  
It's all around  
Everyone is just like them  
It's all around  
It's all around  
It's all around

(Chorus)

So I'm anticonformity  
I don't try too hard to be  
I'm not what you think you see  
Inside I've made a change  
And I'll never be the same  
No way!

They conform  
Un-individuality  
They conform  
Forget about variety  
Yeah, they conform  
They don't know what they believe  
They conform  
They conform  
They conform

(Chorus)

So I'm anticonformity  
I don't try too hard to be  
I'm not what you think you see  
Inside I've made a change  
And I'll never be the same  
No way!

Image is overrated if it washes off in the rain  
You know you gotta go deeper to go against the grain

(Chorus 2X)

So I'm anticonformity

I don't try too hard to be  
I'm not what you think you see  
Inside I've made a change  
And I'll never be the same  
No way!
