Another sinking sun
And I am filled with worry
With every morning comes
Uncharted territory
Am I too young and restless
To live the way the fearless do?

I think it's time I start to...
Live
Unafraid of tomorrow
Live
Knowing You're in control
Live
This life wasn't made to waste away
I wanna live

Take my concerns and cares
Give me new revival
I may be breathin' air
But You're my soul survival
I wanna know the freedom
That can only come from You

I'm so tired of waiting
There's no more time to lose
So give me strength to move
To live
