so many times, i've been alone  
i didn't know what to do  
i don't know where i'd be if i didn't have,  
i didn't have you yeah  
you comfort me, make me believe, give me the  
strength i need  
since you came into my life it's been so heavenly

me and my piano  
it's all me and my piano

so many things i wanna say to you  
just because  
you came around and gave me, all your, all your love  
and i would sacrifice my very life  
all you have to do is say the word  
cause there would never be no other  
no other yeah

me and my piano  
it's all i wanna do, it's all i play . . .
