Dear God

Its me again down here,  
Don't want to sound insincere,  
I'm lost, some times are so unclear,  
What can you do, I'm feeling so far from you,  
Frustrated irritated disconnected from it all,  
The wieght of the world, has push me to the wall,  
I surrender2x

To you I'm giving in, come take me, save me,  
I want to start again, I'll open my broken heart,  
Cause I'll reach the end, and you are the way to begin...  
I've seen a million smiles living in denial,  
I don't want to live like that,  
Where nothings real, I hate how it's to feel,  
Frustrated irritated disconnected from it all,  
I'm brakin', I'm achin', for something beautiful,  
Surrender2x

To you I give in, come take me, save me,  
I want to start ahain,  
I'll open my broken heart,  
Cause I'll reach the end,  
And you are the way to begin,

All the riches in this world,  
Couldn't fill this great big hole  
It takes so much more,  
Only you can take me, you can make me,  
Home...

It's not the end this is the beginnig,  
Surrender2x

To you I give in,  
Come take me, save me,  
I want to start again, I'll open my broken heart,  
Cause I'll reach the end, and you are the way to begin,  
Surrender2x

Its not the end this is the beginning,

Surrender2x  
Its not the end this is the beginning,  
Surrender2x  
Its not the end this is the beginning,  
Surrender2x  
Its not the end this is the beginning,
