I desire you for you to understand
I wanna be there when you need a friend
Let me be the one you cry to
I know that I can truly make you happy

'Cause when you hurt you know
I hurt just as much as you do
And when you hurt you know
I hurt with you, I hurt with you

Don't believe all the things people say
About me 'cause they will tear us apart
I just wanna be with you, so that we walk together
For worse or for better, I know that we can make it

'Cause when you hurt you know
I hurt just as much as you do
And when you hurt you know
I hurt with you, I hurt with you

'Cause when you hurt you know
I hurt just as much as you do
And when you hurt you know
I hurt with you, I hurt with you

You gotta believe
Put your trust in me
All it takes is faith
I will help you believe
(I will help you believe)

'Cause when you hurt you know
I hurt just as much as you do
And when you hurt you know
I hurt with you, I hurt with you

'Cause when you hurt you know
I hurt just as much as you do
And when you hurt you know
I hurt with you, I hurt with you
