My eyes have a rosey glaze
As darkness falls
I'm dancing on a razor blade
It's killing me
Such a dangerous attraction
I'm flirting with fire
These are reasons i can't take
I'm gonna regret this

It's the shadow inside my mind
And i'm in denial
I'm becoming quite a liar
Does that make me
Beautiful tonight
In my sickness can you find me
Beautiful tonight

The moonlight plays against my skin
You found me out
Midnight sometimes is my only friend
Don't leave me now
The hunger it eats me alive
I'm falling, dissolving

It's crawling into my veins
I'm gonna regret this

It's the shadow inside my mind
And i'm in denial
I'm becoming quite a liar
Does that make me
Beautiful tonight
In my sickness can you find me
Beautiful tonight

Beautiful tonight
Beautiful tonight

I don't want to feel this way forever
Can you make me feel beautiful tonight

It's the shadow inside my mind

And i'm in denial
I'm becoming quite a liar
Does that make me
Beautiful tonight
In my sickness can you find me
Beautiful tonight
