I was chasing my dreams  
With a coke and a smile  
Only You make me happy  
If that was the real thing  
Then I'm in denial  
Only You make me happy  
Now my heart's on my sleeve  
Don't care if I'm not in style  
Only You make me happy

Superficial  
Fake  
And fleeting  
Fashion statements have no meaning

Only You make me happy  
Only You make me happy  
Everything will change  
But You remain the same  
Only You make me happy

I had it under control  
I had it right where it wants me

Only You make me happy  
I've got the rock and the roll  
It made me one of the posse  
Only You make me happy

Fame and fortune  
Blind ambition  
Can't replace  
The love You've given

Like a song in my head  
It lives and it dies  
Only You make me happy  
Elvis is dead  
But my King is alive  
Only You make me happy

Only You make me happy

Only You make me happy  
Everything can go  
'cause the one thing I know  
Is only You make me happy
