I was doing just fine
Till you messed with my mind
Why'd you have to be so perfect

Now your stuck in my head
I'm losing sleep over it
I don't know how to be
objective

Having trouble staying focused
Can't pretend that I don't
notice
How you make me feel inside

Chorus
I get so distracted
When you come around
My head's in the clouds

I can't seem to concentrate at all
But, no

Don't you know that I
Get so distracted when I see
your face
Get caught in a daze

Sometimes I don't know what
to do
I get so distracted, distracted, distracted
By you

By you
Thats right

Wonder if your aware
I really don't mean to stare
But you know I just can't
Help it

I try to stay in control
Yes I do but don't

Like you so much
Be losing it

Having trouble staying focused
Can't pretend that I don't
notice
How you drive me out of my mind

Chorus
I get so distracted

When you come around
My head's in the clouds

I can't seem to concentrate at all
But, no

Don't you know that I
Get so distracted when I see
your face
Get caught in a daze

Sometimes I don't know what
to do
I get so distracted, distracted, distracted
By you

What have you done to me
I'm not the one I used to be

You got me all confused
Maybe that is just what you meant to do

Oh oh oh oh oh oh oh oh oh oh
oh oh oh oh oh oh oh oh oh

Having trouble staying focused
Caught up in the undertoe
I'm thinking bout you all the
TIME!

Chorus
I get so distracted
When you come around
My head's in the clouds

I can't seem to concentrate at all
But, no

Don't you know that I
Get so distracted when I see

your face
Get caught in a daze

Sometimes I don't know what
to do
I get so distracted, distracted, distracted, distracted,
distracted, distracted, distracted
By you
