Monday morning  
Here we go again  
Weekend is over  
No more sleepin in  
Responsibilities  
All that I see  
A five day work week  
Up ahead of me

I I I don't like tuesdays  
U u unless it's summer holiday  
If I can make it to friday  
Then things can start goin my way  
Cuz

Saturdays sundays  
Are my favorite days  
Who needs mondays  
Anyway  
Gotta plan your escape  
You only get forty eight  
Live it up nonstop  
Just can't get enough

Saturdays sundays mondays no way  
Tuesday wedensday  
Can't wait for friday

Summer vacation  
You know I'm waitin  
But until then  
Got to be patient  
Take the week off  
Sounds good to me  
But that's fiction  
And not reality

I I I don't like tuesdays  
U u unless it's summer holiday  
If I can make it to friday  
Then things can start goin my way  
Cuz

Saturdays sundays  
Are my favorite days  
Who needs mondays  
Anyway  
Gotta plan your escape  
You only get forty eight  
Live it up nonstop  
Just can't get enough

Saturdays sundays mondays no way  
Tuesday wedensday  
Can't wait for friday

Call up your best friends

Crank up the KSM  
It's time to start it up yea  
Because you know you love

Saturdays sundays mondays no way  
Tuesday wedensday  
Can't wait for friday

Saturdays sundays mondays no way  
Tuesday wedensday  
Can't wait for friday

Saturdays sundays  
Are my favorite days  
Who needs mondays  
Anyway  
Gotta plan your escape  
You only get forty eight  
Live it up nonstop  
Just can't get enough

Saturdays sundays  
Are my favorite days  
Who needs mondays  
Anyway  
Gotta plan your escape  
You only get forty eight  
Live it up nonstop  
Just can't get enough
