Monday morning
Here we go again
Weekend's over
No more sleeping in
Responsibilities
All that I see
A five day work week
Up ahead of me

I, I, I, I don't like Tuesdays
Uh, uh, unless it's summer holiday
If I can make it to Friday
Then things can start going my way, 'cause

Saturdays, Sundays
Are my favorite days
Who needs Mondays anyway?
Gotta plan your escape
You only get forty-eight
Live it up nonstop
Just can't get enough

Saturdays, Sundays
Mondays, no way
Tuesday, Wednesday
Can't wait for Friday

Summer vacation
You know I'm waiting
But until then
Got to be patient
Take the week off
Sounds good to me
But that's fiction
And not reality

I, I, I, I don't like Tuesdays
Uh, uh, unless it's summer holiday
If I can make it to Friday
Then things can start going my way, 'cause

Saturdays, Sundays

Are my favorite days
Who needs Mondays anyway?
Gotta plan your escape
You only get forty-eight
Live it up nonstop
Just can't get enough

Saturdays, Sundays
Mondays, no way
Tuesday, Wednesday
Can't wait for Friday

Call up your best friends
Crank up the KSM
It's time to start it up
Because you know you love

Saturdays, Sundays
Mondays, no way
Tuesday, Wednesday
Can't wait for Friday

Saturdays, Sundays
Mondays, no way
Tuesday, Wednesday
Can't wait for Friday

Saturdays, Sundays
Are my favorite days
Who needs Mondays anyway?
Gotta plan your escape
You only get forty-eight
Live it up nonstop
Just can't get enough

Saturdays, Sundays
Are my favorite days
Who needs Mondays anyway?
Gotta plan your escape
You only get forty-eight
Live it up nonstop
Just can't get enough
