I probably shouldn't say this
But at times I get so scared
When I think about the previous
Relationship we shared
It was awesome but we lost it
It's not possible for me not to care
And now we're standing in the rain
But nothing's ever gonna change until you hear
My dear

The seven things I hate about you
The seven things I hate about you
Oh you
You're vain, your games
You're insecure
You love me, you like her
You make me laugh
You make me cry
I don't know which side to buy
Your friends they're jerks
When you act like them
Just know it hurts
I wanna be with the one I know
And the seventh thing I hate the most that you do
You make me love you
