I'm trying to put this thing to bed  
I've drugged it in its sleep  
There isn't many memories  
I'm comfortable to keep

This ball keeps rolling on  
It's heading for the streets  
Keep expecting you to send for me  
The invitation never comes

Each time I turn around  
There's nothing there at all  
So tell me why I feel like  
I'm up against a wall

But maybe it's a false alarm  
And all the answers sound the same  
Just colours bleeding into one  
That doesn't have a name  
Maybe I can't see  
Maybe it's just me

Now the curtain's coming up

The audience is still  
I'm struggling to cater for  
The space I'm meant to fill

And distance doesn't care

Each time I turn around  
There's nothing there at all  
So tell me why I feel like  
I'm up against a wall

But maybe it's a false alarm  
And all the answers sound the same  
Just colours bleeding into one  
That doesn't have a name  
Maybe I can't see  
Maybe it's just me

I'm trying to put this thing to bed  
I drugged it in its sleep  
Remember what you said  
Are you comfortable to keep it?
