"Glamour Puss"

[whistling]

Long legs ... taking you somewhere
Catch your reflection in a window pane
The universe is startin' to feel ya ...
Drinking tequila like it's the name of the game ...

[whistling]

Whoa whoa

[Chorus:]

Well you know it hasn't happened yet
You're relying on your next cheque ...
I know that you're a glamour puss
My explanation's useless ...
So you chew, chew on the root
In your beautiful high heeled shoes ...
Miss Glamour Glamour Puss

[whistling]

Baby juggles fire in a blindfold
Riding a motorcycle
Through a hula-hoop but it
Sounds like dust on your record
You're showing the pressure
Of doing loop-de-loop-de-loop

Whoa oh

[Chorus]

Push a little harder
Dance a little longer
Never give yourself away
Love a little less ...
To keep yourself together
Everything will come your way

(Yeah yeah)
Push a little harder
Dance a little longer
(Yeah yeah!)
Never give yourself away
(Yeah yeah)
Love a little less ...
To keep yourself together
(Yeah yeah!)
Everything will come your way

Oh oh

(Yeah yeah)
Well you know it hasn't happened yeah (yet?)
(Yeah yeah!)
You're relying on your next cheque ...
(Yeah yeah)
I know that you're a glamour puss
(Yeah yeah!)
And my explanation's useless useless ...

Yeah yeah)
Well you know it hasn't happened yeah (yet?)
(Yeah yeah!)
You're relying on your next cheque ...
(Yeah yeah)
I know that you're a glamour puss
(Yeah yeah!)
And my explanation's useless ...

And you choo-choo on the roof ...
In your beautiful high heeled shoes ...
Miss Glamour Glamour Puss
