Hopeless

Everybody says its just another decay of the soul
But I know I'm hopeless, thought about anything to take
me

Away from this hole in the ground
I found it's hopeless clinging to a feeling
Like a fish on a line, so blinded by the lately
Hopeless, no more saying that there's no more time.

I've was trying far too hard
To be what I thought I should be
I was playing wild cards and
Seeing things that weren't in front of me
Like a little tiger, played far too long,
Until I was hurting myself, again and again

Because I'm hopeless.
Everybody says its just another decay of the soul
But I know I'm hopeless, thought about anything to take
me
Away from this hole in the ground
I found it's hopeless clinging to a feeling
Like a fish on a line, so blinded by the lately
Hopeless, no more saying that there's no more time.

That there's no more time.

Well I'm just discovering I'm living in a different body
Caught a little insight into everything thats happening
to me
Like a little spider, I'm climbing the insurmountable
But I'll never hold myself accountable, no.

'Cause I'm hopeless.
Everybody says I'm hopeless
But I got a bit of hopelessness
Oh and you can never bring me down
Even though I've got some silent ground
Oh because I love it so
And I think you should know

Because I'm hopeless.

Everybody says its just another decay of the soul
But I know I'm hopeless, thought about anything to take
me
Away from this hole in the ground
I found it's hopeless clinging to a feeling
Like a fish on a line, so blinded by the lately
Hopeless, hopeless, hopeless
No more saying that there's no more time.
