lala lulla laa lah
lala lullaahhh lah

you never find your way
lala lulla laa lah
if you never ask anybody
and you're eyes are all ablaze
lala lulla laa lah

and there's no complicity
lala lulla laa lah
if you haven't got anybody
I can see it in your gaze
lala lulla laa lah

and I, I know you
and I know what you do
oh and you can try
you can try hide away
you can try and hide away
but you know that you're not immune
anymore

lala lulla laa lah
lala lulla laa lah

and it doesn't really matter no no
lala lulla laa lah
if you shatter all your dreams
you can glue the pieces ya
lala lulla laa lah
and I don't even care, no no
lala lulla laa lah
if you don't notice me
'cause I don't want excuses anymore, no no ho

'cause I, I know ah you
and I know what you do
oh and you can try
you can try hide away
you can try and hide away

but you know that you're not immune

no you're not immune
you're not immune
you're not immune anymore
you're not immune
you're not immune anymore

nada daha hee yeah
dada hee yeah yeah
lah la laa lah lah
you can try and hide away
but you know that you're not immune
anymore
