### **"Push That Knot Away"**

May you always, may you always walk in hope  
And may your days just be a way to walk along the  
great high road  
When the dark comes, when the dark comes to your  
door  
Will you deny him, don't recognize him  
He's not welcome anymore  
In your life, in your life, in your life

In the forest, in the forest when you hear  
Something that scares you,  
Be aware that it is frightened of you too

You can push that knot away, you can push that knot  
away  
Yes, you can push that knot away, you can push that  
knot away  
You can push that knot away, you can push that knot  
away

And in the morning, in the morning when you wake  
It is a doorway for you to walk through to become what  
you make  
And just remember you have heaven in your heart  
It is inside you, and it will guide you so long as you  
listen hard  
In your life, in your life, in your life

Daisy, you know this. You know this already  
Daisy, you know this. You know this already  
Daisy, you know this. You know this already  
Daisy, you know this. You know this already

Ohh, ahh, you can push that knot away  
you can push that knot away

Oh, oh, oh, ohh, you can push that knot away  
you can push that knot away, uh ah

You can push that knot away, oh, oh, oh, oh

(Daisy, you know this. You know this already)  
You can push that knot away, oh ah  
(Daisy, you know this. You know this already)

You won't regret it, I'm betting you'll push that knot  
away  
(Daisy, you know this. You know this already)  
You won't regret it, I'm betting you'll push that knot  
away  
(Daisy, you know this. You know this already)

Yes, you can push that knot away, you can push that  
knot away
