"Riptide"

Well I'm feeling stupid, thick and tired
Faking through and wrongly wired
Revolving slowly and slowly and slow
And every time I'm washed away
Come up for air in other ways
Revolving slowly and slowly and slow
Yes, I am!

And I feel like I do now
'Cause I was talked to and brought to this
And I need like I do now
While I am
I'm caught inside this riptide
So save our souls
Don't hold me, let me go!

I'm into you
Inside a riptide.
