I was happy in my harbor  
When you cut me loose  
Floating on an ocean and confused

Winds are whipping waves up like skyscrapers  
And the harder they hit me  
The less I seem to bruise

Oh, when I find the controls  
I'll go where I like  
I'll know where I want to be

But maybe for now I'll stay right here  
On a silent sea  
On a silent sea

I was happy in my harbor  
When you cut me loose  
Floating on an ocean and confused

Oh, when I find the controls  
I'll go where I like  
I'll know where I want to be

But maybe for now I'll stay right here  
On a silent sea  
On a silent sea

I'll stay right here  
On a silent sea  
On a silent sea

Oh, when I find the controls  
I'll go where I like  
I'll know where I want to be

But maybe for now I'll stay right here  
On a silent sea
