As I walk away  
I look over my shoulder  
To see what I'm leaving behind

Pieces of puzzles  
And  
Wishes on eyelashes fail

Ooooooh!  
How do I show all the love  
Inside my heart

Well this is all new  
And I'm feeling my way through the dark

And I used to talk  
With honest conviction  
Of how I predicted my world  
I'm gonna leave it to to star gazers  
Tell me what your telescope says

Oh what is in store for me now?

It's coming apart

I know that it's true  
'cause I'm feeling my way through the dark

Try to find a light on somewhere  
Try to find a light on somewhere  
I'm finding I'm falling in love with the dark over here

Oh oh what do I know I don't care  
Where I start

For my troubles are few  
As I'm feeling my way through the dark  
Through the dark  
I'm feeling my way through the dark
