Circling,
Spinning my way apart
Losing my pieces all over
Now circling
With the standing of a sentinel
Put in all the hours in
Ward off what has been
Sent to kill
My spin
Now I'm still

It's you, you
I found my way deep inside
Now I'm coming
Now I've decided
It's true, true
No matter how far down
Nowhere it hides
I'm waiting on the heart

Little boy
Found himself alone
Came upon a girl
Is it written
In stone?
When she awoke
The first words she spoke were his name
As if he'd
Heard it for the first time
Her voice,
In her voice
Her voice,
Circling whisper

It's you
I found my way deep inside
Now I'm coming
Now I've decided
It's true, true
No matter how far down
Nowhere it hides

(Instrumental)

Oh baby it's you
I found my way inside
Now I'm coming
Now I've decided
It's true, true
No matter where it hides
Nowhere it hides
I'm waiting on the heart
Heart
(Waiting on my heart)
