Brotherman

Written by K.Oms

Produced by K. Oms and dbClifford

Mixed by dbClifford

Brotherman hold my hand  
Walk with me and IÂ'll understand  
What youÂ're going through  
The world is changing all around  
YouÂ're not alone in this little town  
Did you know  
That we can stand here idly or make history

IÂ've got a lot of love to give  
IÂ've got a lot of life to live  
Surely you must realize  
This is love in my eyes

IÂ've got to find a better day  
IÂ've got to find a better way  
I tell you this is no disguise  
This is life in my eyes

Brotherman from the sand  
Talk to me and IÂ'll comprehend  
What youÂ're living through  
YouÂ're holding out for something more  
And owning what is solely yours

YouÂ're beautiful  
Shot down in broad daylight  
For standing up to fight

IÂ've got alot of love to give  
IÂ've got a lot of life to live  
Surely you must realize  
That this is love in my eyes

IÂ've got to find a better day  
IÂ've got to find a better way  
I tell you this is no disguise  
This is life in my eyes

Everyone's a runaway  
And every day's a holiday  
I'm really glad you're here with me

I've got a lot of love to give  
I've got a lot of life to live  
Surely you must realize  
That this is love in my eyes

I got to find a better day  
I got to find a better way  
I tell you this is no disguise  
This is life in my eyes
