All I can do for you
Is try to spend some time alone
And let it all shine through
Loving you in every way
Now I love myself especially
I want for you baby to know

I've got a lot of energy stirring up inside of me
I tell you that I'm grateful we are young
Even though we lost our way it'll come around again
when we're together as one

ELECTROLOVE SHINE, ELECTROLOVE SHINE,
ELECTROLOVE SHINE

Lifetime's of memories
Leave 'em at the door if you please
We just got to learn to let go
We are family
Every single living being
It's time to find our place in the sun

ELECTROLOVE SHINE, ELECTROLOVE SHINE,
ELECTROLOVE SHINE
I will be there when everything comes around and I
know we're not too far away from grace

Solitude the air I breathe
open eyed fast asleep
Tell you that I want to be the one
You dance like a superstar
Everybody knows you are
And the feelings are so strong

ELECTROLOVE SHINE, ELECTROLOVE SHINE,
ELECTROLOVE SHINE
I will be there when everything comes around and I
know we're not too far away from grace

ELECTROLOVE SHINE, ELECTROLOVE SHINE,
ELECTROLOVE SHINE

ELECTROLOVE
