This heaven

Written by K. Oms  
Produced by K. Oms

I didn't mean to hurt you  
And cause this aching pain  
I had my own ambitions  
I had them every day

If I find this heaven  
I'm gonna say  
This cannot be wrong  
And when I find this place called heaven  
I'm gonna say  
Feelings are strong

I ran into your sister  
She seemed to look pretty fine  
She wore a real strong smile  
And her kids were screaming wild

If we can find a way  
To make it through today  
I'll hold my hands out high  
Is this our disguise

And I'll find this place called heaven  
I'm gonna say feelings are strong  
And if I find this heaven

And when we find heaven  
If I find this place called heaven
