"Moonshine"

Long lonely moonshine,
Cast your gaze upon the ground
So lost in my mind,
Lost in blue light all around
And I feel so unsure all the way
You and me at the end of the day
And my love,
It feels like you have flowered
And now I know I'll never be the same
Long golden moon light,
Makes me feel like I belong
Lost in the evening,
In this feeling nothing is wrong
And I feel so unsure all the way
You and me at the end of the day
And my love,
It feels like you have flowered
And now I know I'll never be the same
And now I know I'll never be the same
