Bjé°Žk
You're biting...

Einar
You're so right....

Bjé°Žk
Oh, you're biting

Einar
....so precise
You are so well

Bjé°Žk
Taking care of your independence....

Einar
The others are just stupid

Bjé°Žk
....by biting....

Einar
Moron
Criticising the others or watching TV....

Bjé°Žk
....bite....

Einar
....for working

Bjé°Žk
....bite....

Einar
Pushing them too far

Bjé°Žk
You long for unhealed wounds
But you could strike your voice in deep in down

Einar
Stop....stop

Bjé°Žk
You're biting....

Einar
So conscious....

Bjé°Žk
Oh, you're biting

Einar
So right
So precise
You are so well

Bjé°Žk
Taking care of your independence....

Einar
The others are just stupid

Bjé°Žk
....by biting....

Einar
You know I don't

Bjé°Žk
Everything I done for

Einar
The others are just stupid, ignorant bastards

Bjé°Žk
You just bite
You just long for unhealed wounds

Einar
Criticising the others for watching TV....

Bjé°Žk
You just long for unhealed wounds

Einar
....for working

Bjé°Žk
You could strike your voice in deep in down

Einar
You wrong kind, you wrong people

Bjé°Žk
Just you nice, please
You could take with you in the family
What you want to like

Einar
You're so right
Your mind is like venom
Your mind is like venom

Bjé°Žk
Just biting
Everything which come too close

Einar
You don't want a TV,
It's so synthetic
What would you like to do, huh?
Eating in a silly restaurant
Is it the way you want?
You got a choice haven't you?

Bjé°Žk
Like all my touches
I tumble
And you can't continue....

Einar
Your'e free
Oh, you're so free

Bjé°Žk
....no....

Einar
You're so right, so precise

Bjé°Žk
....just bite....

Einar
You are....
Your mind is like venom
And me?
I'm just a good trumpet-player

Bjé°Žk
Biting your way through

Gnawing every string that you can
You could actually do others
Anything that could respect you
Just biting....biting....

Einar
All the others are just bastards
You're free, aren't ya

Bjé°Žk
....just biting....

Einar
Right....you are
Bastards
Right....you are
You're free, aren't ya
You're so bright, so precise

Bjé°Žk
Just biting....biting....

Einar
So right, so precise

Bjé°Žk
....biting

Einar
You're so right

Bjé°Žk
Do you alone

Einar
I just play the trumpet

Bjé°Žk
No independence

Einar
So conscious, so right

Bjé°Žk
....biting....

Einar
So precise
You are
