Sleepy willow, heavy mellow,
Rest my head upon the pillow,
Someone must be watching over my cradle.
Oh love's a flame, love's a dancer,
Got to find a peaceful answer,
I can feel an angel on my shoulder.
Now I'm finding my life today,
Well I'm not sure what to say,
I'm finding my life today alone.
Oh Avalonia, hope I find ya,
In this changing world beguiling,

I can feel an angel on my shoulder.
Now I'm finding my life today,
Well I'm not sure what to say,
I'm finding my life today... Avalonia.
