"Dance In Your Shadow"

If you were alone,
No one would know
That you were crying
If you were a dream,

Nothing would seem
High or low

Lie under the stars,

Cradle your arms
Like you were dying
Oh..what would you do

If it was true
No one was lying
Time waits by your side,
Dance in your shadow
Time wait by your side,
Dance in your shadow

Love treasure the time,
That you are mine and I am found
Oh...what would you do,
If it was you,
If you were flying

I wait by your side,
Dance in your shadow
Time waits by your side,
Dance in your shadow (2 times)
