Im an A1-major league- Sociopath
My Daddy's in oil, and my life is a gas
It's good to be King
Oh yea... let the choirs sing out, sing out!

I cut my foes and my enemies down
I blew up their homes and their towns
No one is as powerful as me, enthroned in popularity

Im a Dic - I'm the Dic - I'm a Dic - I'm a Dictator
Dictator of the free world - a c'mon!

Im a killer, I'm a digger in the Artic lands,
Who cares about the weather
when you're as rich as I am,
I'm making waves... baby, cos' Jesus saves!

People say are you crazy I say wow, wow wow!
I'm gonna send your ass to Guatanamo
No one else is quite a rich as me
Or does as much for charity

I'm a Dic - I'm a Dic- I'm a Dic - I'm a Dictator
Dictator of the free world - a c'mon!

Let us pray...
God is with us- on our side
Who cares if coloured people die!
Hell, I'm so good at making friends
I tell you now... this is the END!

I'm a Dic - I'm a Dic- I'm the Dic - I'm a Dictator
Dictator of the free world - a c'mon!
