We're all going to fairyland,  
To fairyland now we will go,  
We're all going to fairyland,  
To fairyland we are going.  
Pixies and gnomes and fairies and elves,  
Over the hills and down by the well,  
Pixies and gnomes and fairies and elves,  
Over the hills and away we will go.  
(2 Times)

We're all going to fairyland,  
To fairyland now we will go,  
We're all going to fairyland,  
To fairyland we are going.  
Fairyland we are going  
To fairyland we are going  
To fairyland.....  
We are going....

We're all going to fairyland,  
To fairyland now we will go,  
We're all going to fairyland,  
To fairyland we are going.  
Fairyland we are going  
To fairyland we are going  
To fairyland.....  
We are going....
