Aaa, aaa aaa aaa
Aaa, aaa aaa, aaa aaa aaa

Well, I called you the keeper of my heart
'Cause I felt that you'd been there waitin' from the start
(Waitin')
From the start, yeah

Well, you said, "Do you remember who you are?"
Did you know you fell from heaven like a star?
(Heaven)
Like a star, yeah

And we like to be that way again
(Tuu roo tuu roo roo)
Yeah, we like to be that way again
(Tuu roo tuu roo roo)

Born beside a holy river
Darkened moon eclipsed the future
Your name is Gold Forever
Your name is Gold Forever
Aah, aaa aaa ahh
Ohh, aaa aaa, laa laa laa

Well, they call you the Golden Avatar
But nobody really knows you as you are
As you are, yeah

And we like to see you shine
(Huu huu huu)
Yeah, we like to see you shine
(Huu huu huu)

I can see by the light that you shine on me
If I could surrender tomorrow
But the flames of the fire invitin' me
Are sendin' me further and further and further away
Further and further and further and further away

Aaa, aaa aaa, aaa aaa aaa
Ohh, aaa aaa aaa, aaa aaa aaa

Aaa, aaa aaa aaa
Aaa, aaa aaa aaa
Aaa, aaa aaa, aaa aaa aaa
Aaa, aaa aaa aaa
