I'm an A1 Major League sociopath
And I'm a hard-loving business man
So don't fight it (No no no)
You might like it (Ooh yeah)

I cut my foes and my enemies down
And now I'm crawling on the ground
I'm just a man (he's just a man)
All your chicks can't understand

I'm a dic- I'm a dic- I'm a dictator
I'm a dic- I'm a dic- I'm a dictator
Dictator of the free world, come on!

Dictator of the free world
Dictator of the free world
Yeah I'm a dictator of the free world

I've been digging for a living in the artic lands
Who cares about the weather when you're as rich as I
am?
I'm making waves
'Cos Jesus saves!

Oh baby I'm crazy wo-oo-oo-oo-oh
I wanna make love in Guantanamo
Cos I'm just a man (he's just a man)
And you chicks can't change what I am

I'm a dic- I'm a dic- I'm a dictator
I'm a dic- I'm a dic- I'm a dictator
Dictator of the free world, come on!

Dictator of the free world
Dictator of the free world
Yeah I'm a dictator of the free world

Oh yeah say my name
Woohoo!

Let us pray

God us with us on our side
Who cares if coloured people die
Come on baby come on let's roll
Close your eyes and lose your soul

Dictator of the free world
Dictator of the free world
Yeah I'm a dictator of the free world

Say I'm a dictator of the free world
Dictator of the free world, come on!
