if we stand here together
and we see the world as one
we may say there's no future
but it's the same for everyone
it's like the world has lost it's head
and it's like all the prophets said
that will we arise
to a new world

if we stand here together
we can laugh at what we've done
all that time has been wasted
and there's no where left to run
there's milion troubles up ahead
will you be sleeping in our beds
oh will we arise ohh..
..to a new world
look for signs and foretells
oh i'm looking for a reason..
to believe !
will we arise in our time
at the dawn of another meaning
will we awake at the pray
of a great Hossanna
where there's nothing else to do
just hold your breath and hope it's true

oh we'll arise ohh..
to a new world ohh..

look for signs and foretells
oh there's got to be a reason..
to believe !

we'll arise in our time
at the dawn of another meaning
we'll awake at the pray
of a great Hossanna

where there's nothing else to do
just hold your breath and hope it's true
that we'll arise..

..to a new world !
