Hey, hey, hey, hey,
The girl's on fire but she doesn't know it
Hey, hey, hey, hey,
The girl gets higher in London town
Hey, hey, hey, hey,
cause she's in love, she's in love with the guitar man,
the guitar man.
Hey, hey, hey, hey,
The girl's in love with the guitar man
Hey, hey, hey, hey,
The girl's too young to understand.
Hey, hey, hey, hey,
She's in love, she's love with the guitar man.
Yeah, he's the guitar man

Six strings, two eyes, and a heart of stone, he's the
guitar man.
aaa-aaa-aaa, guitar man, guitar man, guitar man.
