All I have is all I need
enough for love but not for greed yeah
I was younger once this guy came to me
told me about all the honey out there
He said "honey gold jewels money women wine cars
that shine"
I don't know what he was talking about
but I think I had an idea.
He said "smell the rose, sweet sweet rose,
catch the sun find where it grows.
Smell the rose, the sweet sweet rose
that grows on castle walls in heaven.
In heaven, yeah."
Well if it feels like summer
you're catching the sun
and I'm catching the moment you fall.
If it tastes like honey
don't swallow it all,
don't wait for the moment to come- and catch the sun.
chorus
Hey dude,
don't lean on me man
Cause I'm losing my direction
and I can't understand, no no
Hey dude,
well I do what I can

But you treat me like a woman
when I feel like a man.
I was crossing the city one day,
everybody was flashing by me
Like images of tombstones,
images of tombstones.
On a Friday night
I've seen everybody looking for their little bit of honey
To alleviate the pain,
to alleviate the pain.
Well if it feels like summer
you're catching the sun,
don't wait for the evening to fall,
If it tastes like honey
don't swallow it all,

don't wait for the moment to come- and catch the sun.

chorus

No, no, n no, no, n no, no, n no, no

Well I can't understand

and I feel like a man

sing it to me honey

- and catch the sun

chorus

Hey dude, no, no, n no

Hey dude, no, no, n no

and you treat me like a woman

when I feel like a man

Oh yeah
