Sacrifice The Virgin's child We'll destroy Your paradise
Storming forth on
Baphomet commanding hordes of blasphemy
Annihilating the holy three The Trinity
Of Mockery Summoning Death our hate breeds war
Spilling the blood of Jehovah's
Whores The son of god will be exposed No more will a
bastard be adorned Desecration
Of pious lives Elimination to the flock of Christ Under
the sign of Azazel We wage
Unholy war!!! We blaspheme thee Cursed fucking deity
Your name will be destroyed
Henceforth and forever more: Rege Mortalis Letum!!!

Storming forth on Baphomet commanding hordes of
blasphemy Annihilating the holy
Three The Trinity of Mockery Summoning Death our
hate breeds war Spilling the
Blood of Jehovah's whores

Genocide Of holy life Conquered by Infernal might By
the virtues of Hell
Victory shall be done God's creation lay wasted by
scorn Extermination of the
Righteousness Conjuring warriors from the Abyss The
flesh of Christ has been denied
Through slaughter of Christian life Butchered in the
triumph of sacrilege Complete
Death to all that is pure We renounce thee Wretched
Nazarene Crushed by the diabolic
Force Powered through misanthropy Destruction of
innocent flesh and blood -
For the:
