I'm a second sight yeah  
I've seen a part of you  
Through the looking glass yeah  
In another land

I'm a second sight yeah  
The real heart of you  
Walking through a fire  
There's nothing I won't do  
There's nothing I won't do

(Aha! )

Do you wanna see the man behind the mask?  
I won't stand in your way  
I'll tell you what to say  
If you want to see the man behind the screen.  
I'm a second sight!

I'm a second sight yeah  
The other side of you  
Through the looking glass  
And down the rabbit hole

I'm a second sight yeah  
The real heart of you  
Lover you've forgotten  
Coming back to you  
There's nothing I won't do

(Aha! )

Do you wanna see the man behind the mask?  
You say that love is blind  
But baby I'm to find  
Do you want to see the man behind the dream?  
I'm a second sight!

I'm a second sight yeah (I've seen...)  
I'm a second sight yeah (I've seen...)  
I've seen that part of you

I'm a second sight yeah (I've seen...)  
I'm a second sight yeah (I've seen...)  
I've seen that part of you
