Blood Transfusion, Revolution  
Satallites on Mars  
Man became the spawn of satan  
Driving 'round in cars

I read the News but  
The News didn't fascinate  
I stayed at home, Watched  
The media Ejaculate

This is the age of Decay and Hypocrisy  
Sometimes i feel like the World  
Isn't Ready for me

Every time i turn  
A microscopic Worm  
Is telling me he's it  
Dressed in robes of Cosmic ego  
Crawling round in shit

I read the News but  
The News didn't fascinate  
I stayed at home, Watched  
The media Ejaculate

This is the age of Decay and Hypocrisy  
Sometimes i feel like the World  
Isn't Ready for me

This is the age of Decay and Hypocrisy  
Sometimes i feel like the World  
Isn't Ready for me
