Drink the wine of angles blood Drawn from the virgin's  
cunt I have seen blood of the holywashed on shores  
next

To fallen kingdoms Armies of Darkness, Legions of  
demons Pleasure their master with conquered holy  
ruins

Priests will die Eternal flames unite Writhing earth  
brings divine night Christ is dead Destruction brings  
Delight With strength and power Armageddon crushes  
the light Relentless fury, world sacrificed the death is  
Justified through your god's demise With razors poised  
the wolves will gather with blood pouring from the sky  
Our reign will not forgive the lambs of Christ, our last  
sacrifice will be landscapes come to life A world of  
Blasphemy and endless time the horned master saw  
the vision through wine: drawn from

Haunting chanting, hymns to the fallen triumph and  
destroy, heaven is on fire Cursed to inherit, your burnt  
Broken gates, the angles lie dead impaled with  
brokenwings Shadow bring ash on the throne,  
destruction by legions summon the rituals Sacrificed  
and sodomized, we are the tormentors, anguish  
brought to heaven Christ is denied All hail the mighty  
Tyrants black destiny To mega therion heavens  
upheaval Father of vengeance Arts brought by atrocity  
Visions brought the inferno, twilight brought the  
bloodbath Drink the wine of angles blood Drawn from  
the virgins cunt Darkest nights Eclipse pollutes the sky  
Chaos storms have just arrived Warlust untamed Still  
they are blind The visions bring forth the black horned  
goat:..
