Pehla yeh pehla pyar tera mera soni
Pehle yeh mulakaat hai x2
Joh kai raheen hai aakhein
Voh kai raheen hai baatein
Jaage to be saare raat hai x2
Pehla aa aa aa a, hai pehlaaa, tera mera pyar.

Dil peh chalana jab zoor koi x2
Too mere paas aagiye, hai, meh tere paas aagiya
Pyaasein hai tere saasein, pyaase hai mere saasein
Oos peh yeh barsaat hai x2
Pehla aa aa aa a, hai pehlaaa, tera mera pyar.

Kabse te hum tum tanhaa aagele x2
Aaj tujhe chain mil geya, aaj mujhe chain mil geya
Baahoon me mere tum, baahoon me tere hum

Oor yeh jama raat hai x2
Pehla aa aa aa a, hai pehlaaa, tera mera pyar.

Rook se giyi hai tere mere raahein x2
Hum jo saath aagiye, hai manzil ke paas aagiye
Aaye te kahaan se dono, jaayenge kahaan pe dono
Yeh to aab kise yaad hai x2
Pehla aa aa aa a, hai pehlaaa, tera mera pyar.

Pehla yeh pehla pyar tera mera soni
Pehle yeh mulakaat hai x2
Joh kai raheen hai aakhein
Voh kai raheen hai baatein
Jaage to be saare raat hai x2
Pehla aa aa aa a, hai pehlaaa, tera mera pyar
Hai pehlaa, tera mera pyaar x2
