Don't Cry Mama - Kumbia Kings

:A.B:

This song is dedicated to my baby sister Selena. And to all the families that have lost a loved one. That day after day have to feel that emptiness and pain. And the worst pain of all, is watchin your mama cry. So this song goes out to you mama. Please don't cry no more.

:Hook:

Don't cry mama
I miss em' too mama
Wipe your eyes mama
All we can do mama
Is hope and pray mama
That one day mama
Everything will be ok no more rain mama
So don't cry mama
It's alright mama
All we can do is keep his memory alive mama
So wipe your tears mama
Ten years mama
Even though It's not the same I'm still here mama.

:Verse 1:

I was bad news on the block
Throwin rocks
And every now and then the neighbors would call the cops
My little brother always tried to cover up for me
I went from throwin rocks to throwin dice n hustlin
And im sure my mama luvd my lil bro a little mo
And even tho you couldn't keep it on the real low
I'd kill fo another chance to see him once again
I'm sorry for the way i was n how i must have been
Cuz i was mad i was nothin but a trouble kid
I didn't always get the love my little brother did
He's the one that finished shool and made us all proud
I was one to break tha rules and never thought bout it
But things are dead now i wish that i can take him bak
If he was here i wonder what the kid would say to that
I made you mad i made you sad but don't cry
Mama let me wipe the clouds from your eyes.

:Chorus:

What i would give to see you again (what I would do to
see you again)
(Lord tell me will this pain ever end?)Heas my little
brother
He was my best friend (you was my best friend man im
missin all the time that we spent)
With every year that goes by
It seems like jus yesterday
This emptiness in my heart this burnin wont go away
I keep tellin my mama everything will be ok
One day we'll be together n a beter place
Mama please don't cry
Don't cry mama
Wipe your eyes mama
Don't cry mama (tears me up inside) (yeh u know it
tears me up inside)
To see my mama cry
Don't cry mama
Dry ya tears mama

:Verse 2:

Dear Lord shine ur light so we can find our way
After every dark night, there's a brighter day
Even tho he's gone, mom im still right here
But i really feel like it should be him right here
Close my eyes, visualize,all my loved one's faces
I miss u n i wanna be with you feel like trading places
Give mah life for yours no questions asked
So i can sleep in peace finally rest at last
Things change is not the same gotta keep on going
Wanna cry deep inside but i jsut can't show em'
Tryin ta hold my tears
Threw the coldest years
Wanna cry wile them thugs look at hores and beers
Every body's hurtin
All the family n friends
This story aint no happy endin so sadly it ends
Keep your memory alive for the rest of my life
But i can't become a man without tryin ta survive.

:Chorus:

What i would give to see you again,(what i would do to
see you again, lord tell me will this pain ever end)
He was my little brother
He was my best friend (you was my best friend man im
missin all the time that we spent)
With every year that goes by
It seems like jus yesterday
This emptiness in my heart this burnin wont go away

I keep tellin my mama everything will be ok
One day we'll be together n a beter place
Mama please don't cry
Don't cry mama
Wipe your eyes mama
Don't cry mama (tears me up inside) (yeh u know it
tears me up inside)
To see my mama cry

:Hook:

Don't cry mama
Dry ya eyes mama
Mama please don't cry
Don't cry mama i miss him too mama
Wipe your eyes mama
All we can do mama
Is hope and pray mama
That one day mama

:AB: Guns don't kill people. People kill people.
Ignorance is the number one disease in the world.
Don't be ignorant raza. Let's stop the hatin. Peace
