Think'n about u, baby
It slowly drives me crazy
Think'n about all the lovin'
All those memories I've been blessed with

Think'n about u, baby
It slowly drives me crazy
Think'n about all those kisses
I've been missin' from you lately

It was five years ago today
To me it seems like yesterday
When I could see you pretty face
When you where just a step away

How you would always hold me tight
When things weren't always goin' right
You'd show me the way
But times have changed now
Since you went away

My eyes want to cry, they can't see you
(Since you went away)
My heart want to die, it can't feel you
(Since you went away)
My world feels so strange without you
(Since you went away)

Oh I been down and out
I'm feelin' the rain

Think'n about u, baby
It slowly drives me crazy
Think'n about all the lovin'
All those memories I've been blessed with

Think'n about u, baby
It slowly drives me crazy
Think'n about all those kisses
I've been missin' from you lately

I must admit I won't forget

Of all the special times we shared
I take them with me everywhere
Until I take my very last breath

You always knew just what to say
To put a smile up on my face
When I was in doubt
But all that's changed now
Since you went away

My eyes want to cry, they can't see you
(Since you went away)
My heart want to die, it can't feel you
(Since you went away)
My world feels so strange without you
(Since you went away)

Oh, I been down and out
I'm feelin' the rain

Think'n about u, baby
It slowly drives me crazy
Think'n about all the lovin'
All those memories I've been blessed with

Think'n about u, baby
It slowly drives me crazy
Think'n about all those kisses
I've been missin' from you lately

Ooh, ooh, ooh, think'n about u
I been think'n about you, babe
Ooh, ooh, ooh, think'n about u
Ooh, ooh

Ooh, ooh, ooh, think'n about u
I'm think'n about, think'n about
Ooh, ooh, ooh, think'n about u
Oh, I been

Think'n about u, baby
It slowly drives me crazy
Think'n about all the lovin'
All those memories I've been blessed with

Think'n about u, baby
It slowly drives me crazy
Think'n about all those kisses
I've been missin' from you lately

Think'n about u, baby

Think'n about u, baby

Think'n about u, baby
