I feel you under my skin [4x]  
ohhhhhh alright oh baby

From the very first time  
I looked into your eyes I couldnt deny  
those hips those thighs  
make me wanna eat you up like my mama's pie  
I'd be like 40 days and 40 nights just to make you my  
queen  
you make a fool of a man turn him straight when you  
hit the scene  
Im like a voter girl you got me rock hard  
Ide be like a baby boy with a brand new toy tear you  
hard  
you got me slobbering, drewling  
thinking X rated  
you always on my mind and oohh I just hate it  
you butt nakid with water glistening all over your body  
visoins of us ice crust getting naughty  
Heavenly father forgive me for theses type of sins  
but this girl that I feel is under my skin

*[chorus]*

I feel you under my skin  
this time I sink you in  
I feel you under my skin  
Im going crazy for you baby  
I feel you under my skin

I feel you under my skin  
I want to love to let you in

*[chorus]*

How you doing baby  
yo how you doing boo  
o girl you looking at me  
cause Ive been looking at you  
so how you doing baby  
yo how you doing boo  
o girl you looking at me  
cause Ive been looking at you

ever since the time I see you

and I'll be quick to be there  
so fast so quick in a hurry  
so sweet like a flurry  
lets come together in one room like a grand jury  
Come on, cause I have gotto keep it real  
to show you how I feel  
My secrets' bout to be revealed  
I got to break it down
