Always and forever
Each moment with you
Is just like a dream to me
That somehow came true

And I know tomorrow
Will still be the same
Cuz we got a life of love
That won't ever change
and...

Everyday, love me
your own special way
Melt all my heart away
With a smile
Take time to tell me
You really care
And we'll spend tomorrow
Together, forever

(Spoken)
For all my people out there,
Don't worry, dreams do come true

There always be sunshine
When I look at you
It's something I can't explain
Just the things that you do

and

If you get lonely
Call me and take
A second to give to me
The magic you make
and...

Everyday, love me
your own special way
Melt all my heart away
With a smile
Take time to tell me

You really care
And we'll spend tomorrow
Together, forever

forever.....forever.....just you and
me.....forever...
