I'm looking in the mirror in this women down and out
She's iternally dying and knew this what not what loves
about

I don't want to be this women the second time around.
Cause I'm walking up screaming
No longer believing that I'm gonna be around .

(Hook)

Over and over I try and
Over and over you lie and
Over and over I cry

Over and over I try and
over and over you lie and
over and over I cry.

Rain on me, Lord won't you take this
Rain from me, I don't want to live
I don't wanna breath
Rain on me, Lord won't you take this rain from me
I I don't wanna breath I don't wanna breath

See I don't wanna hug my pillow late at night no more
I'm tossing and turning and thinking 'bout burning
down these walls
I don't wanna fuel this fire no more no more
Cause I made up my mind and this doesn't seem right
Ain't nothing here to keep me warm

(hook)

(chorus)

I'm so tired of the rain in my life
And I'm so tired of the stress that follows me around
Cause sometimes I can't sleep at night and
This here it just don't seem right
and sometimes I just wonder why I almost let ny life go
