Intro keyboard plays

Now my grandad had a word, he used when things  
when wrong, to introduce this word to you I put it in a  
song,

so everytime this word is used his memory lives on,  
I'm about to tell you what it is so you can sing along,

chorus

Fucksticks when nan wouldn't let him touch her furry  
pie,

Fucksticks when he got some shrapnel lodged in his  
japs eye,

Fucksticks when a german sniper shot him in the cock,

Fucksticks when he found a lump on his left bollock,

Fucksticks when nan died and left him all alone,

Fucksticks when he let a bogus caller into his home,

Fucksticks when the first black people moved into our  
street,

Fucksticks when his arthritis means he couldn't beat his  
meat,

Fucksticks, mother's cunt, fucksticks,

Keyboard instrumental

Fucksticks, mother's cunt, fucksticks,

verse 1

And everytime I hear this word I start to reminisce,  
And suddenly taste worthers and get a faint whiff of  
piss, So when someone annoys me and things get on  
my wick, I think about that racist old cunt and really let it  
rip

chorus 2

Fucksticks when I miss an open goal on five a side,

Fucksticks when I lost a hard on when nana died,

Fucksticks when the teachers told I was no good,

Fucksticks when the old bill caught me wanking in the  
wood,

Fucksticks when I'm having it off and I think off my old  
dad,

Fucksticks when the little cunt put skidmarks down the  
pan,

Fucksticks when some motherfucker pushes in the

queue,  
Fucksticks when you get caught short and really need a  
poo,  
Fucksticks when I came tumbling off my BMX,  
Fucksticks when I split my frendulum whilst having sex,  
Fucksticks when some smart bastard gives me my  
comuppance,  
Fucksticks when it's been ages since I've seen a ladies  
tuppence,  
Fucksticks when there's no clean pants and you have to  
wear your mum's,  
when your bird won't let you fuck her up the bum,  
Fucksticks when you're feeling glum and don't know  
what to say just say Fucksticks  
Fucksticks  
Fucksticks  
and it makes everything OK,  
Fucksticks,mother's cunt,fucksticks
