I met this girl on Myspace  
She was 16 and a half  
She said that I was well buff  
And that I made her laugh  
So I sent her a picture  
Of me wanking in the bath

I think I misjudged the situation  
She didn't want to see my soapy masturbation  
Please don't grass me up to 'tom!

There's a lot of perverts on the internet  
Trying to chat up girls and get their ding-dongs wet  
I am one but don't tell my Mum  
'Cause if she finds out then I'm gonna get done

LITTLE MISS KUNT:  
There's a lot of perverts on the internet  
Trying to chat up girls and get our ding-dongs wet  
He is one but don't tell his Mum  
'Cause if she finds out then he's gonna get done

Then there was this lady  
I met on Yahoo! chat  
We were getting on like a house on fire  
Then everything went flat  
When I asked to see a picture  
Of her fingering her twat

I think I misjudged the situation  
She grassed me up to the bod in charge of moderation  
And now my user account is blocked

There's a lot of perverts on the internet  
Trying to chat up girls and get their ding-dongs wet  
I am one but don't tell my Mum  
'Cause if she finds out then I'm gonna get done

LITTLE MISS KUNT:  
There's a lot of perverts on the internet  
Trying to chat up girls and get our ding-dongs wet  
He is one but don't tell his Mum

'Cause if she finds out then he's gonna get done

I found this girl on Facebook  
With whom I used to go to school  
I left a little message for her  
Up there on her wall  
Of how I often think of her  
Whilst playing with my tool

I think I misjudged the situation  
She told her husband about my masturbation  
And now he wants to kick me in the pods

There's a lot of perverts on the internet  
Trying to chat up girls and get their front bums wet  
I am one but don't tell my Mum  
'Cause if she finds out then I'm gonna get done

LITTLE MISS KUNT:

There's a lot of perverts on the internet  
Trying to chat up girls and get our front bums wet  
He is one but don't tell his Mum  
'Cause if she finds out then he's gonna get done
